Sir:

Applicants hereby petition the Director to credit a refund to Deposit Account No. 50-2319 for an overpayment which seems to have occurred in the processing of the above-identified patent application. Specifically, on October 11, 2005, Applicants filed a response to a non-final office action with amendment to the claims. The Examiner found the amendment to the claims non-responsive, and issued a Notice of Non-Compliant Amendment on October 17, 2005. Applicants then filed a response to the Notice of Non-Compliant Amendment on January 23, 2006 (a copy is attached herewith), with a corrected listing of pending claims. Upon entry of the amendment, there are a total of 21 claims and 52 total claims pending in this application. Applicants were thus charged an excess claims fee in the amount of \$4,000.00. This amount is clearly in error. Based on Deposit Account No. 50-2319. This amount is clearly in error. Based on the fact that the number of claims over 20 is 32, not 80. The total fees for claims

U.S. Serial No.: 10/780,321
Filing Date: February 17, 2004

and not the \$4,000.00 charged by the U.S.P.T.O. A copy of the U.S.P.T.O. sales receipt is attached herewith, along with a "Patent Application Fee Determination Record" indicating an incorrect calculation of claims.

Therefore, pursuant to 37 C.F.R. § 1.26, Applicants respectfully request a refund in the amount of \$2,400.00 to be credited to Deposit Account 50-2319 (Order No.: 465840-00087; Docket No.: A-64360-2).

Please notify the undersigned when such payment has been credited to Deposit Account No. 50-2319.

Respectfully submitted,
